BSB80415 - Graduate Diploma of Portfolio Management via Assessment/RPL
Direct pathway (articulation) into Edith Cowan University (ECU) Graduate certificate of Project Management and/or Master of Project Management Degree: 2 unit credit.

Qualification Description

This qualification reflects the role of individuals who apply advanced knowledge and skills in a range of strategic portfolio management roles.

Individuals at this level make high-level autonomous decisions and use initiative and judgement to plan and implement a range of project, program and portfolio management functions in varied contexts.

They have full responsibility and accountability for personal outputs and for the work or function of others.

They use cognitive and creative skills to review, critically analyse, consolidate and synthesise knowledge, in order to generate ideas and provide solutions to complex problems. They use communication skills to demonstrate their understanding of theoretical concepts and to transfer knowledge and ideas to others

Entry Requirements

Entry to this qualification is limited to those who:

- Have completed a Diploma or Advanced Diploma qualification in related fields of study and 3 years equivalent full-time relevant workplace experience at a significant level of project or program leadership and management responsibility and/or complexity in an enterprise.
or
- Have completed a Bachelor degree in related fields of study and 2 years equivalent full-time relevant workplace experience at a significant level of project or program leadership and management responsibility and/or complexity in an enterprise.
or
